

# VISUAL GUIDE OF ePACK

w/ TIPS FOR SUCCESS

## Success with ePACK begins here.

**My profile:** complete carefully.

**My documents:** upload your resume.

**My activity:** track your recruiting activity.

**Tip:** your profile determines jobs/interviews for which you are eligible.

## Find the contact information for employers who recruit at NC State.

**Tip:** contact employers on your own to express interest.

## Search for on-campus interviews.

**Interviews matching my profile:** apply for on-campus interviews (you meet the requirements.)

**All interview schedules:** view (only) all on-campus interviews; search by major to narrow list.

**Tip:** if you are unable to apply, use the employer contact information to express interest.

## Find career events on campus.

**Information sessions:** identify "meet the employer sessions" to attend.

**Career fairs:** find upcoming fairs to attend.

**Tip:** attend all events related to your major or career interest.

## Search for posted internships and jobs.

**Tip:** search by major, job category, or keyword – determine which yields the best results. Create a job agent.

If you are unable to apply, use the employer contact information to express interest.
